Current Awareness Service

Issue no. 5 of 2020

The Park Library - The Park Centre for Mental Health

National Health Priority Area – Mental Health

- Anxiety
- Child and Adolescent Mental Health/Perinatal Mental Health
- Depression
- Employment and Mental Health
- Forensic Psychiatry
- Mental Health Services/Promotions and Prevention
- Personality Disorders
- Schizophrenia
- Suicide

Data for this Priority Area has been identified by:
The Park Library – The Park Centre for Mental Health

➢ How to locate articles in the Current Awareness Service (CAS) (Qld Health staff only)
➢ Article is not available on CKN? Instructions for Qld Health staff

Citations listed have been generated as an update from the Medline and the PsycINFO databases. The citations in this document should NOT be considered an exhaustive set of information on Mental Health. Queensland Health clinicians are reminded to utilise the Clinical Knowledge Network (CKN) https://www.ckn.org.au/ and the West Moreton Health Libraries website for more information on specific mental health areas.
How to locate articles in the Current Awareness Service (CAS)

- Some articles may be available in full text via CKN.

- Click on the article links in the PDF and this will take you to the database page in CKN. **Note:** if you are not on a Qld Health computer you will need to login via your Open Athens login, if you haven’t registered here is the link to register - https://www.ckn.org.au/register

- If full text is available within the database, then a PDF icon or HTML text should display.

- If there is no PDF or HTML link, then use the CKN full text (example shown below).

![Predictors in Internet-delivered cognitive behavior therapy and behavioral stress management for severe health anxiety](https://example.com/preview)

**Article is not available on CKN?**

- If the article is not available on CKN, [Request this item](https://example.com/preview) will display on the left.

- Click on this link and you will get a result similar to what is shown below.

![Video-based mobile health interventions for people with schizophrenia: Bringing the “pocket therapist” to life.](https://example.com/preview)

- Click on “Request this item from your local HHS Library” and the article information will be populated in the Article Request form → fill out your details → select your HHS/Library from the drop down menu → then submit the form.

The latest CAS is published on our Library website – [http://parklibrary.qld.libguides.com/wmhhs-library](http://parklibrary.qld.libguides.com/wmhhs-library)
